statutory term (as presently shortened by any terminal disclaimer) of the co-pending Appln. No. 10/054,860 and hereby agrees that any patent so granted on the above-named Application No. 10/066,711 shall be enforceable only for and during such period that the legal title to Appln. No. 10/054,860, shall be the same as the legal title to said patent issuing from the above-named Application No. 10/066,711, this agreement to run with any patent granted on the above-named Application No. 10/066,711 and to be binding upon the grantee, its successors or assigns.

Assignee does not disclaim any terminal part, of any patent granted on the above-named Application No. 10/066,711, prior to the expiration date of the full statutory term (as presently shortened by any terminal disclaimer) of co-pending Appln. No. 10/054,860 if said Appln. No. 10/054,860 later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term (as presently shortened by any terminal disclaimer), except for the separation of legal title stated above.
